ACT No. I. OF 1841.

Passed by the Right Hon'ble the Governor General of India in Council on the 12th of April, 1841.

An Act for facilitating the collection of the Revenue of Government and defining the interest intended to be conveyed by public sales for the realization of arrears of the Public Revenue in Putteedarree Estates.

I. The Regulations in force authorize *Preamble.* the application of duress for enforcing the payment of arrears of the public revenue, only against the person and property of the Contracting Lumberdar, leaving him to proceed against the Putteedars by suit or distraint. But with reference to the peculiar nature of these Coparcenaries the existing enactments appear to be insufficient on the one hand for the protection of the rights of the Putteedars, and on the other hand for the punctual realization of the revenue of Government. The Regulations are also deficient in not authorizing with sufficient distinctness the transfer of the Puttees of defaulting Putteedars in Putteedarree Estates, and in not defining the interest intended to be conveyed by public sales of such

II. A Putteedarree Estate in this Act is held to be an Estate which consists of two or more separate portions or Puttees, or of which there may be proprietors, possessed of separate properties and holding direct of the Government, but not parties in their own names to the contract with the Government for payment of the public revenue. The proprietor who is a party in his own name is called a Lumberdar, and the proprietor who is not a party in his own name is called a Putteedar.

III. It is hereby enacted, that the following modes of duress may be enforced against all Putteedars whose tenure and interest may have been defined by a Settlement formed according to Regulation VII. of 1822 as modified by Regulation IX. of 1833, whether every such Putteedar be in sole occupation of his Puttee, or hold it in common with others.

1st. Issue of Dustucks in the same manner, and under the same limitation, as authorized by the rules in force for Lumberdars.

2d. Arrest, detention, imprisonment, distraint and sale of personal property as now authorized to be enforced against Lumberdars.

3d. Transfer of the defaulting Puttee in perpetuity to the members of any other Puttee which may not be in arrear.

4th. Annulment of the Settlement as regards the defaulting Puttee, and lease thereof to the members of any other Puttee which may not be in arrear or to a stranger for any term not exceeding fifteen years.

5th. Sale of the defaulting Puttee by public auction in which case the members of the remaining Puttees who may not be in arrear are authorized to bid.

IV. And it is hereby enacted, that on occasion of the sale by public auction of any Puttee, if the lot shall have been knocked down to a stranger, any Putteedar or other member of the coparcenary not being himself in arrear may claim to take the said Puttee at the sum last bid, provided that the said demand of pre-emption be made on the day of sale and before the Collector shall have left the office, and provided that the claimant fulfil all the other conditions of the sale.

V. And it is hereby enacted, that the above methods be employed by the Collector or other Officer vested with the powers of Collector, under such limitation and control as Government or other superior revenue authorities shall see fit to prescribe or enforce.

VI. And it is hereby enacted, that the sale of any Puttee by public auction, shall be effected in respect to the notice to be issued, the authority to be obtained, and the mode of conducting the sale according to the rules prescribed by Law from time to time for the sale of an entire Mehal, and the Puttee after the sale shall have been duly confirmed shall be the absolute property of the purchaser, save and except the rights of those Ryots whose right to the permanent occupancy of their lands may have been recognized, and the rates of rent payable by whom may have been adjusted and recorded at the last settlement.

VII. And it is hereby enacted, that in case of the lease or other temporary transfer of any Puttee as above said no member of that Puttee shall be entitled to cultivate any land therein during the term of such transfer, or in case of absolute sale no member of the Puttee shall be entitled to hold or cultivate any land therein from and after the month of Bysack next succeeding such sale unless the said member of such sold or transferred Puttee shall first execute a written engagement to pay rent to the purchaser or transferee at the rate demanded by the purchaser or transferee. Provided that it shall be competent to the Collector, subject to the orders of the Commissioner and the Sudder Board of Revenue, if the rate cannot be fixed by private bargain between the parties to cause the same to be fixed by a jury of the vicinage in the mode directed by Sections V. to X. Regulation IX. of 1833.

VIII. And it is hereby enacted, that a copy of the Jumma Wasil Bakee and detailed Kuteonee of the Tehsildar signed and sealed by him, and countersigned by the Canoongoes and Putwarry, exhibiting in detail the amount paid by and arrear due from each Puttee shall be taken to be sufficient evidence of the arrear due from that Puttee, and these papers shall invariably be filed with the Collector's proceedings.

IX. And be it enacted, that the Collector be empowered to give possession to all purchasers and transferees under the Act in the mode authorized by Clause III. Section XXIII. of Regulation VII. of 1822.

X. And it is hereby enacted, that nothing contained in this Act shall bar the indefeasible right of Government to hold the entire body of proprietor and the entire estate responsible for the amount of the

whole Jurisdiction, and to enforce the existing regulations for the transfer or sale of the whole estate whenever it shall appear to them just and expedient. In every such case it is hereby declared in modification of Regulation XI. of 1822, that the entire proprietary rights of every member of the Coparcenary shall be annulled and forfeited, and the provision of Section VII. of this Act shall be applicable to every member of the Coparcenary.

XI. And it is hereby enacted, that the Governor General in Council may extend the provisions of this Act to any district to which with reference to the nature of the tenures prevalent therein its extension may be expedient, although no Settlement of such district may have been made under Regulations VII. of 1822 and IX. of 1833, and the Order of Government shall be sufficient authority for such extension.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 21ST JUNE, 1841.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 21st of June, 1841, is hereby promulgated for general information.

ACT No. VIII. OF 1841.

An Act to enable Her Majesty's Supreme Courts within the Territories of the East India Company to give relief against adverse claims made upon persons having no interest in the subject of such claims.

I. Whereas it often happens that a person sued at Law for the recovery of Money or Goods wherein he has no interest, and which are also claimed of him by some third party, has no means of relieving himself from such adverse claims but by a suit in Equity against the Plaintiff and such third party, usually called a Bill of Interpleader, which is attended with expence and delay;

It is hereby enacted, that upon application made by or on the behalf of any Defendant sued in any of Her Majesty's Supreme Courts in any action of Assumpsit, Debt, Detinue, or Trover, such application being made after declaration and before plea by Affidavit or otherwise, showing that such Defendant does not claim any interest in the subject matter of the suit, but that the right thereto is claimed or supposed to belong to some third party who has sued or is expected to sue for the same, and that such Defendant does not in any manner collude with such third party, but is ready to bring into Court or to pay or dispose of the subject matter of the action in such manner as the Court (or any Judge thereof) may order or direct, it shall be lawful for the Court, or any Judge thereof, to make rules and orders calling upon such third party to appear and to state the nature and particulars of his claim, and maintain or relinquish his claim, and upon such rule or order to hear the allegations as well of such third party as of the Plaintiff, and in the meantime to stay the proceedings in such action, and finally to order such third party to make himself Defendant in the same or some other action, or to proceed to trial on one or more feigned issue or issues, and also to direct which of the parties shall be Plaintiff or Defendant on such trial, or with the consent of the Plaintiff and such third party, their Counsel or Attornies to dispose of the merits of their claims, and determine the same in a summary manner, and to make such other rules and orders therein as to costs, and all other matters as may appear to be just and reasonable.

II. And it is hereby enacted, that the judgment in any such action or issue as may be directed by the Court or Judge, and the decision of the Court or Judge in a summary manner, shall be final and conclusive against the parties and all persons claiming by, from, or under them.

III. And it is hereby enacted, that if such third party shall not appear upon such rule or order to maintain or relinquish his claim, being duly served therewith, or shall neglect or refuse to comply with any rule or order to be made after appearance, it shall be lawful for the Court or Judge to declare such third party, and all persons claiming by, from, or under him to be for ever barred from prosecuting his claim against the original Defendant, his Executors or Administrators; saving nevertheless the

right or claim of such third party against the Plaintiff; and thereupon to make such order between such Defendant and the Plaintiff, as to costs or other matters, as may appear just and reasonable.

IV. And it is hereby provided, that every order to be made in pursuance of this Act by a single Judge not sitting in open Court, shall be liable to be rescinded or altered by the Court in like manner as other orders made by a single Judge.

V. And it is hereby enacted, that if upon application to a Judge, in the first instance or in any later stage of the proceedings, he shall think the matter more fit for the decision of the Court, it shall be lawful for him to refer the matter to the Court, and thereupon the Court shall and may hear and dispose of the same in the same manner as if the proceeding had generally commenced by the Rule of Court instead of the order of a Judge.

VI. And whereas difficulties sometimes arise in the execution of process against Goods and Chattels issued by or under the authority of the said Courts, by reason of claims made to such Goods and Chattels by Assignees of Bankrupts and other persons not being the parties against whom such process has issued, whereby Sheriffs and other Officers are exposed to the hazard and expence of actions; and it is reasonable to afford relief and protection in such cases as such Sheriffs and other Officers, it is therefore hereby further enacted, that when any such claim shall be made to any Goods or Chattels taken or intended to be taken in the execution under any such process or to the proceeds or value thereof, it shall and may be lawful to and for the Court from which such process, issued upon application of such Sheriff or other Officers made before or after the return of such process, and as well before as after any action brought against such Sheriff or other Officer, to call before them by Rule of Court as well the party issuing such process as the party making such claim, and thereupon to exercise for the adjustment of such claims and the relief and protection of the Sheriff or other Officer, all or any of the powers and authorities hereinbefore contained, and make rules and decisions as shall appear to be just, according to the circumstances of the case, and the costs of all such proceedings shall be in the discretion of the Court.

VII. And it is hereby enacted, that all Rules, Orders, Matters and Decisions to be made and done in pursuance of this Act except only the Affidavits to be filed, may together with the declaration in the cause if any, be entered of record with a note in the margin, expressing the true date of such entry, to the end that the same may be evidence in future times if required, and to secure and enforce the payment of costs directed by any such Rule or Order, and every such Rule or Order so entered shall have the force and effect of a judgment except only as to becoming a charge on any Lands, Tenements or Hereditaments; and in case any costs shall not be paid within fifteen days after notice of the taxation and amount thereof given to the party ordered to pay the same, his Agent or Attorney, execution may issue for the same by Fieri Facias, or Capias ad satisfaciendum, adapted to the case, together with the costs of such entry, and of the execution if by Fieri Facias, and such Writ or Writs may bear Teste on the day of issuing the same, whether in term or vacation, and the Sheriff or other Officer executing any such Writ shall be entitled to the same fees, and no more as upon any similar Writ grounded upon a judgment of the Court.

Secy. to Govt. of India.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 28TH JUNE, 1841.

The following Draft of a proposed Act was read in Council for the first time on the 28th of June, 1841.

ACT No. — OF 1841.

An Act for declaring and amending Section XII. Regulation III of 1803, of the Criminal Code, concerning the dismissal of Suits for Negligence or Proceed in the same.

I. It is hereby enacted, that if a Plaintiff in any Court shall, at any time, neglect to proceed in his suit for six weeks, the Suit shall be dismissed, and it shall not be necessary to give the Plaintiff any notice

previous to dismissing his Suit. The Suit shall be dismissed as of course after the expiration of six weeks without any proceeding on the part of the Court, or of the Defendant, or otherwise, or assignment of any reasons, unless the Plaintiff, upon special application, shall have previously satisfied the Court of the propriety of allowing further time. The Court shall record upon the proceedings the reasons at large for allowing further time in all cases in which further time may be allowed, but it shall not be necessary to specify the reasons for refusing any application for further time.

II. And it is hereby enacted, that in all cases in which a Suit is dismissed under the preceding Section the Court shall award to the Defendant the costs he may have incurred in the Suit. But such dismissal of a Suit shall be no impediment to the institution of a new Suit, where the party is not precluded by lapse of time, or otherwise than by the mere circumstances of having instituted the Suit dismissed and of such dismissal.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the Meeting of the Legislative Council of India after the 28th day of September next.

FORT WILLIAM, 30th June, 1841.

No. 162 of 1841.—In obedience to the instructions of the Hon'ble the Governor General, and in continuation of General Orders No. 31, dated the 17th of April 1832, the Hon'ble the Governor General of India in Council is pleased to direct, that the Allowance of Extra Batta to be paid to Native Troops in the Cantonments of Bikaner, Jaipur, and Nagpore, be discontinued, as from the relief of the Corps now occupying those places.

2. On the Disbandment of Native Batta, compensation of Cash will be granted, or payable to the Madras, Bombay, and Bengal, for the use of Troops on Garrison Allowances; and the former advantage of

receiving their pay at a rate of exchange more favorable than the present one, will be secured to the Native Troops, by the following arrangement, which His Lordship in Council takes this opportunity of announcing for general information.

3. From calculations made by order of the Supreme Government, it appears that the Madras Troops of every description, serving in the Deccan, sustain a serious loss from being paid in the local currency, at the existing rates of exchange, viz., in Hyderabad Rupees at the rate of (111) One Hundred and Eleven for (100) One Hundred Madras Rupees, and in Nagpore Rupees at (107) One Hundred and Seven for (100) One Hundred Sonaut or Company's Rupees; the average intrinsic par of the Coin at present issued to them, being, as compared with Company's Rupees, (121) One Hundred and Twenty-one of the former, and (117) One Hundred and Seventeen of the latter, to the hundred.

4. In such a case the obvious mode, as well as measure of relief, is, an equitable adjustment of the rate of Exchange at which the local currency shall be issued to the Troops; and, as the loss sustained by each of the Deccan Subsidiary Forces appears to be the same, viz. 10 per Cent., the Right Hon'ble the Governor General of India in Council is pleased to authorize an addition to that extent, in both cases, to the present rate of exchange, subject, however, to such future modification as any change of the local currency, or in the intrinsic value of the currency now used for issue, may render necessary.

5. The whole of the European Officers and Soldiers serving with the Hyderabad and Nagpore Subsidiary Forces, the Commissioned and Non-Commissioned Officers attached to Native Corps included, are to be admitted from the 1st of August next, to the benefits of this arrangement, which will be extended to the Native Troops on the discontinuance of Extra Batta, that is to say, to each of the Regiments, on its arrival, that may relieve one of those now serving at Hyderabad, Jaulna, or Nagpore.

MESSRS. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance,—its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

SIR.—My letter, No. 325, of the 27th instant, will have informed Major General Elphinstone, C. B., Commanding in Affghaanistan, of my having detached Lieutenant Colonel Wymer, of the 38th Regiment of Native Infantry, in charge of a Convoy to the Fort of Kelat-i-Gilzie.

I have now the honor to forward a despatch from the Colonel, by which it appears that when within two marches of the Fort his Escort was attacked by a large body of the Rebels under Sultan Mahomed Khan and the Gooroo, two well known Gilzie Chiefs—after a smart affair the Rebels were defeated with great loss.

The Bengal Sepoys appear to have behaved with their usual steady discipline and bravery and deserve every praise.

SIR,—I have the honor to report for the information of Major General Nott, Commanding at Candahar, that shortly after the arrival of the Detachment under my command as noted per margin, at Echmee on the 29th instant, information was brought me that a large body of Gilzie Rebels

were in motion with the supposed intention of attacking my Detachment, and capturing the Convoy under my charge, and a few hours after the report, stated that they had dispersed; at 5 P. M., my scout again returned with intelligence, that the whole of the Rebel Force, headed by the Gooroo and Sultan Khan, Gilzie Chiefs, were in full march for the purpose of attacking my Detachment, which was also confirmed by the return of Captain Leeson, who had gone out with a large reconnoitring party. Orders were immediately given for the Troops to get under arms, and I proceeded to select the most favorable spot for a position to receive the enemy; a short time prior to which some low hills in the distance were observed through Telescopes to be covered with Troops, both Horse and Foot, distant about three miles, I immediately placed the Detachment in the chosen position, and then awaited the arrival of the enemy, it being quite out of my power, from the party of Troops and magnitude of the Convoy, for me to act otherwise than on the defensive.

About half-past 5 P. M. the enemy were observed to form and advance to the attack in one dense mass—when about nine hundred yards distant the two six-pounders opened upon them with beautiful precision and effect, on which the enemy separated into three distinct columns and advanced in the most cool and deliberate manner, with the evident intention of making a simultaneous attack upon both my flanks and centre, which was met with the greatest coolness and gallantry by the small Detachment, in which they were assisted by a small party of Horse under Gudoo Khan, who had taken up a position on a slight eminence for the protection of my left. The enemy were permitted to approach to within a very short distance when a cool and destructive fire was poured into them from the Infantry line, which after some continuance caused their Troops from the right and centre to unite with those on their left, resting upon and lining the steep banks of the Turnuck River. This caused a corresponding change in my position necessary, which although under a galling fire was effected with the greatest steadiness, in proof of which I may state that during the execution of the movement, the left of the 38th was attacked in the most determined manner by a large body of Infantry armed with drawn swords, who seeing our men in action must have thought they were retreating, and uttering a loud shout rushed in upon them, and the rapidity with which the men reformed and repulsed the attack, elicited my warmest approbation.

From this time the combined efforts of the Enemy were directed to all points until about 10 p. m. without their gaining one single advantage (to which time, from the commencement of the attack, an incessant fire was thrown in upon my Detachment) when they were finally and completely dispersed.

On the commencement of the attack the Enemy were said to number 2,500 Horse and Foot, and during the engagement they were joined by two strong reinforcements, when, from the information I subsequently gained, the numbers cannot be estimated at less than five thousand men.

The loss on the part of the Enemy must have been very considerable, as sixty-four bodies and six or seven Horses were left dead on the field; and I have every reason to suppose that from the time of their retreat, till a little before daybreak they were employed in removing their killed and wounded who did not fall in the immediate vicinity of my position.—I am led to this conclusion from the circumstance of numerous moving lights having been seen throughout the night, and also from the reports of the inhabitants of the country. On being repulsed, the Enemy withdrew to the left bank of the Turnuck and moved off about daybreak on the morning of the 30th, since which I have been unable to gain any information relative to their movements, except that it is currently reported that they have all dispersed.

I cannot omit to mention the ready obedience yielded by the Wing of the 38th when ordered to cease firing at a time when they were exposed to a heavy fire, a measure which was rendered temporarily necessary; after the order was given not a shot was heard until again ordered to commence, thus affording the most convincing proof of their steadiness and attention to the commands of their Officers.

I have much pleasure in expressing my entire approbation of the conduct of the European and Native Commissioned, Non-Commissioned Officers and men of the Detachment, and in order that you may be in full possession of my sentiments on this point, I beg to subjoin an Extract of an Order which I deemed it proper to issue on the subject.

"It now becomes the most agreeable and gratifying part of Lieutenant Colonel Wymer's duty to express in Detachment Orders the very high sense he entertains of the gallantry of the different European Officers he had the honor to command in the unequal contest of yesterday—and to request their acceptance of his best and most cordial thanks for the support they so willingly yielded him on the occasion above referred to. Too much cannot be said of the scientific and destructive manner in which the Artillery practice was conducted by Lieutenant Hawkins Commanding, which created awful havoc in the ranks of the Enemy to the admiration of all present.

The broken nature of the ground on which the action took place was too unfavorable to admit of any extensive display of Cavalry movements; they had however one opportunity of charging the Enemy, which charge was perfectly successful and prevented any renewal of the attack in that quarter. One hundred and fifty of the Cavalry also were distributed about the Camp, and their good conduct drew forth the praise of the Officers under whose command they were placed, and all that could be done by that branch of the service was most ably executed by Captain Leeson in Command, assisted by Lieutenant Moorcroft of the Madras Army, who volunteered his services. To Captain Leeson great praise is due for the expert manner in which the arduous duty of patrolling the Hills, right and left of the road, from the period the Convoys marching from Candahar was conducted.

To Captain Scott, in immediate Command of the Wing of the 38th Regiment, Lieutenant Colonel Wymer feels much indebted for the valuable assistance he received from him, and for which he thus publicly tenders his unfeigned thanks, and the same are not less due to Lieutenants Poeklington, Tytler and Farquharson, for the very attentive manner in which they conducted the duties of the posts assigned to their charge, each of which had its due effect in repelling the furious and repeated charges of the Enemy for a period of nearly four hours.

To Lieutenant Waterfield, Acting Adjutant to the Regiment, Lieutenant Colonel Wymer also feels himself much indebted for the various aids afforded by him, and the expeditious manner in which the sudden calls for re-inforcements were so readily obeyed.

Lieutenant Jeremie, Staff Officer to the Detachment, has, during this affair, proved of the greatest use to the Lieutenant Colonel from his knowledge of the Persian language and the duties pertaining to his

office. Doctor Jacob's professional skill and attention to the wounded in Hospital on both sides, needs no encomiums from the Commanding Officer's pen, they have been all that he could wish.

To the whole of the Commissioned, Non-Commissioned European and Native Officers and Soldiers, Lieutenant Colonel Wymer offers his most sincere praise and thanks for the great exertions manifested by them in this trying contest."

Enclosed I have the honor to forward a Return of killed, wounded, and missing of the Detachment under my Command on the night of the 29th instant.

I have, &c.,

EXTRACT OF DETACHMENT ORDERS BY LIEUTENANT COLONEL WYMER, COMMANDING.

Camp Asseea Huzzarah, 30th May, 1841.

Lieutenant Colonel Wymer has the greatest satisfaction in giving publicity in Detachment Orders, of the very high sense he entertains of the steady and soldierlike conduct of the Detachment under his Command, in the affair of last evening at the Asseea Ilmee, who by their gallantry and good conduct repulsed the repeated attacks on the Convoy made by the united forces of the Gilzies, amounting, it is said, to near 5000 men, headed by their two most celebrated Chiefs Sultan Khan and the Goroo.

After 3½ hours of hard fighting, the desperate and continued attack of the Enemy, favored by the nature of ground, was repulsed on all points by the small party of Troops appointed for the Convoy's protection, consisting of 2 Horse Artillery Guns under Lieutenant Hawkins, a Wing of the Shah's 1st Cavalry under the Command of Captain Leeson, a Detachment of 21 men of the Bengal Sappers, and 4 Companies of the 38th Regiment Bengal Native Infantry. The very scientific manner in which this small Detachment was simultaneously assailed on both flanks and on the centre by three dense columns, consisting of Horse and Foot, called forth the most determined steady resistance from the mere handful of men opposed to them, and which was most conspicuously displayed in the complete discomfiture of the Enemy, compelling them to withdraw their forces to a still more favorable point, from whence they poured forth a galling fire upon their opponents under the cover of ravines.

They renewed the attack as circumstances seemed to favor their designs, till at length they finally withdrew on the frustration of all their well-concerted plans for the extermination of the little band opposed to them, which was employed in the very arduous duty of defending itself, and the extensive Convoy committed to its charge.

It now becomes the most agreeable and gratifying part of Lieutenant Colonel Wymer's duty to express in Detachment Orders, the very high sense he entertains of the gallantry of the different European Officers he had the honor to command in the unequal contest of yesterday, and to request their acceptance of his best and most cordial thanks for the support they so willingly yielded on the occasion above referred to.

ACT No. I. OF 1841.

Passed by the Right Hon'ble the Governor General of India in Council on the 12th of April, 1841.

An Act for facilitating the collection of the Revenue of Government and defining the interest intended to be conveyed by public sales for the realization of arrears of the Public Revenue in Puteedaree Estates.

I. The Regulations in force authorize Preamble. the application of duress for enforcing the payment of arrears of the public revenue, only against the person and property of the Contracting Lumberdar, leaving him to proceed against the Puteedars by suit or distringt. But with reference to

the peculiar nature of these Coparcenaries the existing enactments appear to be insufficient on the one hand for the protection of the rights of the Putteedars, and on the other hand for the punctual realization of the dues of Government. The Regulations are also deficient in not authorizing with sufficient distinctness the sale or transfer of the Puttees of defaulting Putteedars in Putteedarree Estates, and in not defining the interest intended to be conveyed by public sales of such Estates.

II. A Putteedarree Estate in this Act is held to be an Estate which consists of two or more separate portions or Puttees, or of which there may be proprietors, possessed of separate properties and holding direct of the Government, but not parties in their own names to the contract with the Government for payment of the public revenue. The proprietor who is a party in his own name is called a Lumberdar, and the proprietor who is not a party in his own name is called a Putteedar.

III. It is hereby enacted, that the following modes of duress may be enforced against all Putteedars whose tenure and interest may have been defined by a Settlement formed according to Regulation VII. of 1822 as modified by Regulation IX. of 1833, whether every such Putteedar be in sole occupation of his Puttee, or hold it in common with others.

1st. Issue of Dustucks in the same manner, and under the same limitation, as authorized by the rules in force for Lumberdars.

2d. Arrest, detention, imprisonment, distraint and sale of personal property as now authorized to be enforced against Lumberdars.

3d. Transfer of the defaulting Puttee in perpetuity to the members of any other Puttee which may not be in arrear.

4th. Annulment of the Settlement as regards the defaulting Puttee, and lease thereof to the members of any other Puttee which may not be in arrear or to a stranger for any term not exceeding fifteen years.

5th. Sale of the defaulting Puttee by public auction in which case the members of the remaining Puttees who may not be in arrear are authorized to bid.

IV. And it is hereby enacted, that on occasion of the sale by public auction of any Puttee, if the lot shall have been knocked down to a stranger, any Putteedar or other member of the coparcenary not being himself in arrear may claim to take the said Puttee at the sum last bid, provided that the said demand of pre-emption be made on the day of sale and before the Collector shall have left the office, and provided that the claimant fulfil all the other conditions of the sale.

V. And it is hereby enacted, that the above methods be employed by the Collector or other Officer vested with the powers of Collector, under such limitation and control as Government or other superior revenue authorities shall see fit to prescribe or enforce.

VI. And it is hereby enacted, that the sale of any Puttee by public auction, shall be effected in respect to the notice to be issued, the authority to be obtained, and the mode of conducting the sale according to the rules prescribed by Law from time to time for the sale of an entire Mehal, and the Puttee after the sale shall have been duly confirmed shall be the absolute property of the purchaser, save and except the rights of those Ryots whose right to the permanent occupancy of their lands may have been recognized, and the rates of rent payable by whom may have been adjusted and recorded at the last settlement.

VII. And it is hereby enacted, that in case of the lease or other temporary transfer of any Puttee as above said no member of that Puttee shall be entitled to cultivate any land therein during the term of such transfer, or in case of absolute sale no member of the Puttee shall be entitled to hold or cultivate any land therein from and after the month of Bysack next succeeding such sale unless the said member of such sold or transferred Puttee shall first execute a written engagement to pay rent to the purchaser or transferee at the rate demanded by the purchaser or transferee. Provided that it shall be competent to the Collector, subject to the orders of the Commissioner and the Sudder Board of Revenue, if the rate cannot be fixed by private bargain between the parties to cause the same to be fixed by a jury of the vicinage in the mode directed by Sections V. to X. Regulation IX. of 1833.

VIII. And it is hereby enacted, that a copy of the Jumma Wasil Bakes and detailed Kuteones of the Tehsildar signed and sealed by him, and countersigned by the Canoongoes and Putwarry, exhibiting in

detail the amount paid by and arrear due from each Puttee shall be taken to be sufficient evidence of the arrear due from that Puttee, and these papers shall invariably be filed with the Collector's proceedings.

IX. And it is hereby enacted, that the Collector be empowered to give possession to all purchasers and transferees under this Act in the mode authorized by Clause III. Section XXIII. of Regulation VII. of 1822.

X. And it is hereby enacted, that nothing contained in this Act shall bar the indefeasible right of Government to hold the entire body of proprietors and the entire estate responsible for the amount of the whole Jumma, and to enforce the existing regulations for the transfer or sale of the whole estate whenever it shall appear to them just and expedient. In every such case it is hereby declared in modification of Regulation XI. of 1822, that the entire proprietary rights of every member of the Coparcenary shall be annulled and forfeited, and the provision of Section VII. of this Act shall be applicable to every member of the Coparcenary.

XI. And it is hereby enacted, that the Governor General in Council may extend the provisions of this Act to any district to which with reference to the nature of the tenures prevalent therein its extension may be expedient, although no Settlement of such district may have been made under Regulations VII. of 1822 and IX. of 1833, and the Order of Government shall be sufficient authority for such extension.

T. H. MADDOCK,

Sey. to the Govt. of India.

FORT WILLIAM,

LEGISLATIVE DEPARTMENT,

THE 21ST JUNE, 1841.

The following Act passed by the Right Hon'ble the Governor General of India in Council on the 21st of June, 1841, is hereby promulgated for general information.

ACT No. VIII. OF 1841.

An Act to enable Her Majesty's Supreme Courts within the Territories of the East India Company to give relief against adverse claims made upon persons having no interest in the subject of such claims.

1. Whereas it often happens that a person sued at Law for the recovery of Money or Goods wherein he has no interest, and which are also claimed of him by some third party, has no means of relieving himself from such adverse claims but by a suit in Equity against the Plaintiff and such third party, usually called a Bill of Interpleader, which is attended with expence and delay;

It is hereby enacted, that upon application made by or on the behalf of any Defendant sued in any of Her Majesty's Supreme Courts in any action of Assumpsit, Debt, Detinue, or Trover, such application being made after declaration and before plea by Affidavit or otherwise, showing that such Defendant does not claim any interest in the subject matter of the suit, but that the right thereto is claimed or supposed to belong to some third party who has sued or is expected to sue for the same, and that such Defendant does not in any manner collude with such third party, but is ready to bring into Court or to pay or dispose of the subject matter of the action in such manner as the Court (or any Judge thereof) may order or direct, it shall be lawful for the Court, or any Judge thereof, to make rules and orders calling upon such third party to appear and to state the nature and particulars of his claim, and maintain or relinquish his claim, and upon such rule or order to hear the allegations as well of such third party as of the Plaintiff, and in the mean time to stay the proceedings in such action, and finally to order such third party to make himself Defendant in the same or some other action, or to proceed to trial on one or more feigned issue or issues, and also to direct which of the parties shall be Plaintiff or Defendant on such trial, or with the consent of the Plaintiff and such third party, their Counsel or Attornies to dispose of the merits of their claims, and determine the same in a summary manner, and to make such other rules and orders therein as to costs, and all other matters as may appear to be just and reasonable.

II. And it is hereby enacted, that the judgment in any such action or issue as may be directed by the Court or Judge, and the decision of the Court or Judge in a summary manner, shall be final and conclusive against the parties and all persons claiming by, from, or under them.

III. And it is hereby enacted, that if such third party shall not appear upon such rule or order to maintain or relinquish his claim, being duly served therewith, or shall neglect or refuse to comply with any rule or order to be made after appearance, it shall be lawful for the Court or Judge to declare such third party, and all persons claiming by, from, or under him to be for ever barred from prosecuting his claim against the original Defendant, his Executors or Administrators; saving nevertheless the right or claim of such third party against the Plaintiff; and thereupon to make such order between such Defendant and the Plaintiff, as to costs or other matters, as may appear just and reasonable.

IV. And it is hereby provided, that every order to be made in pursuance of this Act by a single Judge not sitting in open Court, shall be liable to be rescinded or altered by the Court in like manner as other orders made by a single Judge.

V. And it is hereby enacted, that if upon application to a Judge, in the first instance or in any later stage of the proceedings, he shall think the matter more fit for the decision of the Court, it shall be lawful for him to refer the matter to the Court, and thereupon the Court shall and may hear and dispose of the same in the same manner as if the proceeding had generally commenced by the Rule of Court instead of the order of a Judge.

VI. And whereas difficulties sometimes arise in the execution of process against Goods and Chattels issued by or under the authority of the said Courts, by reason of claims made to such Goods and Chattels by Assignees of Bankrupts and other persons not being the parties against whom such process has issued, whereby Sheriffs and other Officers are exposed to the hazard and expence of actions; and it is reasonable to afford relief and protection in such cases as such Sheriffs and other Officers, it is therefore hereby further enacted, that when any such claim shall be made to any Goods or Chattels taken or intended to be taken in the execution under any such process or to the proceeds or value thereof, it shall and may be lawful to and for the Court from which such process, issued upon application of such Sheriff or other Officers made before or after the return of such process, and as well before as after any action brought against such Sheriff or other Officer, to call before them by Rule of Court as well the party issuing such process as the party making such claim, and thereupon to exercise for the adjustment of such claims and the relief and protection of the Sheriff or other Officer, all or any of the powers and authorities hereinbefore contained, and make rules and decisions as shall appear to be just, according to the circumstances of the case, and the costs of all such proceedings shall be in the discretion of the Court.

VII. And it is hereby enacted, that all Rules, Orders, Matters and Decisions to be made and done in pursuance of this Act except only the Affidavits to be filed, may together with the declaration in the cause if any, be entered of record with a note in the margin, expressing the true date of such entry, to the end that the same may be evidence in future times if required, and to secure and enforce the payment of costs directed by any such Rule or Order, and every such Rule or Order so entered shall have the force and effect of a judgment except only as to becoming a charge on any Land, Tenements or Hereditaments; and in case any costs shall not be paid within fifteen days after notice of the taxation and amount thereof given to the party ordered to pay the same, his Agent or Attorney, execution may issue for the same by Fieri Facias, or Capias ad satisfaciendum, adapted to the case, together with the costs of such entry, and of the execution if by Fieri Facias, and such Writ or Writs may bear Teste on the day of issuing the same, whether in term or vacation, and the Sheriff or other Officer executing any such Writ shall be entitled to the same fees, and no more as upon any similar Writ grounded upon a judgment of the Court.

Secy. to Govt. of India.

LEGISLATIVE DEPARTMENT,

THE 28TH JUNE, 1841.

The following Draft of a proposed Act was read in Council for the first time on the 28th of June, 1841.

ACT No. — OF 1841.

An Act for declaring and amending Section XII. Regulation III of 1803, of the Bengal Code, concerning the dismissal of Suits for neglecting to proceed in the same.

I. It is hereby enacted, that if a Plaintiff in any Court shall, at any time, neglect to proceed in his suit for six weeks, the Suit shall be dismissed; and it shall not be necessary to give the Plaintiff any notice previous to dismissing his Suit. The Suit shall be dismissed as of course after the expiration of six weeks without any proceeding on the part of the Court, or of the Defendant, or otherwise, or assignment of any reasons, unless the Plaintiff, upon special application, shall have previously satisfied the Court of the propriety of allowing further time. The Court shall record upon the proceedings the reasons at large for allowing further time in all cases in which further time may be allowed, but it shall not be necessary to specify the reasons for refusing any application for further time.

II. And it is hereby enacted, that in all cases in which a Suit is dismissed under the preceding Section the Court shall award to the Defendant the costs he may have incurred in the Suit. But such dismissal of a Suit shall be no impediment to the institution of a new Suit, where the party is not precluded by lapse of time, or otherwise than by the mere circumstances of having instituted the Suit dismissed and of such dismissal.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 28th day of September next.

CHARING CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance,—its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order ; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of repaying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued ; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor ; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

ACT No. I. of 1841.

Passed by the Right Hon'ble the Governor General of India in Council on the 12th of April, 1841.

An Act for facilitating the collection of the Revenue of Government and defining the interest intended to be conveyed by public sales for the realization of arrears of the Public Revenue in Putteedarree Estates.

I. The Regulations in force authorize the application of duress for enforcing the payment of arrears of the public revenue, only against the person and property of the Contracting Lumberdar, leaving him to proceed against the Putteedars by suit or distraint. But with reference to the peculiar nature of these Coparcenaries the existing enactments appear to be insufficient on the one hand for the protection of the rights of the Putteedars, and on the other hand for the punctual realization of the dues of Government. The Regulations are also deficient in not authorizing with sufficient distinctness the sale or transfer of the Puttees of defaulting Putteedars in Putteedarree Estates, and in not defining the interest intended to be conveyed by public sales of such Estates.

II A Putteedarree Estate in this Act is held to be an Estate which consists of two or more separate portions or Puttees, or of which there may be proprietors, possessed of separate properties and holding direct of the Government, but not parties in their own names to the contract with the Government for payment of the public revenue. The proprietor who is a party in his own name is called a Lumberdar, and the proprietor who is not a party in his own name is called a Putteedar.

III. It is hereby enacted, that the following modes of duress may be enforced against all Putteedars whose tenure and interest may have been defined by a Settlement formed according to Regulation VII. of 1822 as modified by Regulation IX. of 1833, whether every such Putteedar be in sole occupation of his Puttee, or hold it in common with others.

1st. Issue of Disticks in the same manner, and under the same limitation, as authorized by the rules in force for Lumberdars.

2d. Arrest, detention, imprisonment, distraint and sale of personal property as now authorized to be enforced against Lumberdars.

3d. Transfer of the defaulting Puttee in perpetuity to the members of any other Puttee which may not be in arrear.

4th. Annulment of the Settlement as regards the defaulting Puttee, and issue thereof to the members of any other Puttee which may not be in arrear or to a stranger for any term not exceeding fifteen years.

5th. Sale of the defaulting Puttee by public auction

in which ~~one~~ the members of the remaining Puttees who may not be in arrear are authorized to bid.

IV. And it is hereby enacted, that on occasion of the sale by public auction of any Puttee, if the lot shall have been knocked down to a stranger, any Putteedar or other member of the coparcenary not being himself in arrear may claim to take the said Puttee at the sum last bid, provided that the said demand of pre-emption be made on the day of sale and before the Collector shall have left the office, and provided that the claimant fulfil all the other conditions of the sale.

V. And it is hereby enacted, that the above methods be employed by the Collector or other Officer vested with the powers of Collector, under such limitation and control as Government or other superior revenue authorities shall see fit to prescribe or enforce.

VI. And it is hereby enacted, that the sale of any Puttee by public auction, shall be effected in respect to the notice to be issued, the authority to be obtained, and the mode of conducting the sale according to the rules prescribed by Law from time to time for the sale of an entire Mehal, and the Puttee after the sale shall have been duly confirmed shall be the absolute property of the purchaser, save and except the rights of those Ryots whose right to the permanent occupancy of their lands may have been recognized, and the rates of rent payable by whom may have been adjusted and recorded at the last settlement.

VII. And it is hereby enacted, that in case of the lease or other temporary transfer of any Puttee as above said no member of that Puttee shall be entitled to cultivate any land therein during the term of such transfer, or in case of absolute sale no member of the Puttee shall be entitled to hold or cultivate any land therein from and after the month of Bysack next succeeding such sale unless the said member of such sold or transferred Puttee shall first execute a written engagement to pay rent to the purchaser or transferee at the rate demanded by the purchaser or transferee. Provided that it shall be competent to the Collector, subject to the orders of the Commissioner and the Sudder Board of Revenue, if the rate cannot be fixed by private bargain between the parties to cause the same to be fixed by a jury of the vicinage in the mode directed by Sections V. to X. Regulation IX. of 1833.

VIII. And it is hereby enacted, that a copy of the Jumma Wasil Bakee and detailed Kutoonee of the Tehsildar signed and sealed by him, and countersigned by the Canoongoes and Putwarry, exhibiting in detail the amount paid by and arrear due from each Puttee shall be taken to be sufficient evidence of the arrear due from that Puttee, and these papers shall invariably be filed with the Collector's proceedings.

IX. And be it enacted, that the Collector be empowered to give possession to all purchasers and transferees under this Act in the mode authorized by Clause III. Section XXIII. of Regulation VII of 1822.

X. And it is hereby enacted, that nothing contained in this Act shall bar the indefeasible right of Government to hold the entire body of proprietors and the entire estate responsible for the amount of the whole Jumma, and to enforce the existing regulations for the transfer or sale of the whole estate whenever it shall appear to them just and expedient. In every such case it is hereby declared in modification of Regulation XI. of 1822, that the entire proprietary rights of every member of the Coparcenary shall be annulled and forfeited, and the provision of Section VII. of this Act shall be applicable to every member of the Coparcenary.

XI. And it is hereby enacted, that the Governor General in Council may extend the provisions of this Act to any district to which with reference to the nature of the measures prevalent therein its extension may be expedient, although no Settlement of such district may have been made under Regulations VII. of 1822 and IX. of 1833, and the Order of Government shall be sufficient authority for such extension.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets or England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

NOTICE.

THE practice of shipping small quantities of Rum, with claim to export drawback, being found to be injurious to the Abkarry Revenue—Notice is hereby given, that the Right Hon'ble the Governor of Bengal has been pleased to cancel the Order of Government, dated 14th June 1830, published in the *Government Gazette* of 24th idem, and to direct that the privilege of drawback, or the remission of Abkarry duty, whether actually levied or secured by bond, will, from the 1st proximo, be only claimable by shippers of one thousand gallons and upwards.

By Order of the Board of Customs, Salt and Opium, the 29th June 1841,

H. TORRENS, *Secretary.*

NOTIFICATION.

NOTICE is hereby given, that under the Provisions of Section II. Regulation VII. of 1824, of the Bengal Code, and in modification of the Notices and Rules published under dates 2d March 1835 and 26th December 1839, the following Rules have been prescribed by Government to take effect in regard to all Distilleries constructed and worked after the European method beyond the limits of the jurisdiction of the Supreme Court of Calcutta.

1. It shall rest with the Board of Customs, Salt and Opium to determine what portion of the Rules contained in Sections IV, V, VI, VII, VIII, IX, X, XI, XII, XIII, and XIV, Regulation II. of 1802, shall continue to be enforced in respect to Distilleries licensed to be worked as above, and in which, up to the present date, the said Rules have been in force.

2. Parties licensed to establish Distilleries worked as above, shall deposit five thousand Rupees in cash, or in Government Securities, with the Board of

Customs, Salt and Opium, the same or such portion of the amount as Government shall determine, on the recommendation of the Board of Customs, Salt and Opium, together with the Distillery License, to be forfeited in the event of any breach of the Abkarry Regulations of the Bengal Presidency, proved before the Officer vested by Law with the decision of Abkarry suits; on the License ceasing without such forfeiture, the sum deposited shall be returned by the Board of Customs, Salt and Opium.

3. Not more than one cautionary deposit of 5,000 Rupees in cash or in Public Securities will be required on account of any number of Distilleries [worked in the European method] that may be established by one and the same individual or firm.

4. No Distillery worked after the above method shall be licensed until the parties applying for the License shall have satisfied the Board of Customs, Salt and Opium, that the works are capable of producing not less than 300 gallons of Spirit per diem.

5. No Distillery proposed to be worked after the above method, shall be licensed until the parties applying for the License shall have satisfied the Board of Customs, Salt and Opium, that the premises are so constructed as to afford full security for the realization of the Government Revenue. And in all cases, parties applying for a License for Distilleries already erected shall engage to adopt such measures for the security of the Public Revenue, and within such time as may be prescribed by the Board of Customs, Salt and Opium.

6. Parties having a License to establish Distilleries worked as above, shall provide a residence for the Native Officer of the Abkarry Department stationed on the premises, which residence shall be so situated as to command the ingress and egress to and from the premises.

7. Parties working Distilleries constructed and worked in the European method as above, are required to apply to the Board of Customs, Salt and Opium, in December each year for the renewal of their Licenses for the year following, and Licenses not so renewed, will be considered null and void, and as not protecting from seizure and confiscation, the Spirits produced in the said Distilleries, or the parties working the said Distilleries, from the Penalties provided by Law for the illicit manufacture of Spirits.

8. The Board of Customs, Salt and Opium are empowered to refuse Licenses for Distilleries worked as above, without assigning any reason for the same, except to Government, in the event of parties appealing from their decision.

9. The Board of Customs, Salt and Opium have been empowered by Government to require, as a condition of the License, that the parties establishing a Distillery shall pay the expense of the Officer or Officers who may be employed on the part of Government at such Distillery, the payment to be secured in a manner satisfactory to the Board of Customs, Salt and Opium, and a failure therein to render the License forfeitable at the discretion of the Board.

By order of the Board of Customs, Salt and Opium, the 29th June, 1841,

H. TORRENS, *Secretary.*

NOTIFICATION.

THE Superintendence and Charge of all Distilleries worked in the European method within 20 miles of Calcutta, having been ordered by the Right Hon'ble the Governor of Bengal, to be transferred to the immediate Superintendence of the Secretary to the Board of Customs, Salt and Opium, parties interested in such Distilleries are hereby informed that the conditions regarding License, explained at length in the separate Notification issued from this Office, bearing the present date, will not be enforced in respect to the Distilleries so situated, before the 1st November next; after which date, the Owners of such Distilleries will become liable to the penalties expressed in the separate Notification adverted to, if Licensees under the prescribed conditions shall not have been previously obtained by them.

Further particulars regarding the objects of this Notification can be learned on application at this Office.

By Order of the Board of Customs, Salt and Opium, the 29th June, 1841,

H. TORRENS, *Secretary.*

III. And it is hereby enacted, that the persons authorized to make such registry, and to grant such certificates as aforesaid, shall be the persons now authorized to make registry of ships or vessels under the Statute 3 and 4 W. 4, Ch 35, and such other or different persons as the local Governments may from time to time appoint for the ports under their respective Presidencies.

Book of Registry.

IV. And it is hereby enacted, that at every port where registry shall be made in pursuance of this Act a book shall be kept by the Registering Officer in which all the particulars contained in the form of the certificate of the registry hereinbefore directed to be used shall be duly entered; and every registry shall be numbered in progression beginning such progressive numeration at the commencement of each and every year. And such Registering Officer shall forthwith, or within one month at the furthest, send to the Government of the Presidency to which he is subordinate a true and exact copy, together with the number of every certificate which shall be by him so granted.

Declaration.

V. And it is hereby enacted, that no registry shall henceforth be made or certificate be granted, until the following declaration be made or subscribed before the Registering Officer, by the owner or major part of the owners of the ship or vessel required to be registered.

I, A. B., of (place of residence and occupation) do truly declare that the ship or vessel (name) of (port or place) whereof (master's name) is at present master, being (kind of built, burthen, et cetera, as described in the certificate of the Surveying Officer) was (when and where) built and that I the said (A. B.) and the other owners (names and occupations if any and where they respectively reside) am (or are) sole owner (or owners) of the said vessel, and that no other person or persons whatever hath or have any right, title, interest, share, or property therein or thereto; and that I the said (A. B.) and the said other owners (if any) am (or are) truly and bona fide a subject (or subjects) of Her Majesty for whom the Governor General of India in Council has power to legislate, and that no person not being subject aforesaid, directly or indirectly, hath any share or part interest in the said ship or vessel. Provided that if the Registering Officer shall see occasion to doubt the truth of any of the facts contained in the above declaration he shall not deem such

declaration to be conclusive, but may refuse the registry or certificate, and his discretion exercised in this behalf shall be subject only to an appeal to the local Government to which he is subordinate.

VI. And it is hereby enacted, that in case the required number of joint owners of any ship or vessel shall not personally attend to make and subscribe the declaration hereinbefore directed to be made and subscribed, then and in such case such owner or owners as shall personally attend and make and subscribe the declarations aforesaid, shall further declare that the part owner or part owners of such ship or vessel then absent, is or are not resident within twenty miles of such port or place, and hath or have not to the best of his or their knowledge or belief, wilfully absented himself or themselves in order to avoid the making the declaration hereinbefore directed to be made and subscribed, or is or are prevented by illness from attending to make and subscribe the said declaration.

VII. And in order to enable the Registering Officer to grant a certificate truly and accurately describing every ship or vessel to be registered in pursuance of this Act, and also to enable all other Officers of Customs on due examination, to discover whether any such ship or vessel is the same with that for which a certificate is alleged to have been granted, it is hereby enacted, that previous to the registering or granting of any certificate of registry as aforesaid some one or more person or persons appointed by the local Governments respectively, taking to his or their assistance if he or they shall judge it necessary, one or more person or persons skilled in the building and admeasurement of ships, shall go on board of every such ship or vessel that is to be registered, and shall strictly and accurately examine and admeasure every such ship or vessel as to all and every particular contained in the form of the certificate hereinbefore directed in the presence of the master, or of any other person who shall be appointed for that purpose on the part of the owner or owners, or in his or their absence by the said master, and shall deliver a true and just account in writing of all such particulars of the built, description, and admeasurement of every such ship or vessel as are specified in the form of the certificate above recited to the Officer authorized to make such registry and grant such certificate of registry as aforesaid; and the said master or other person attending on the part of the owner or owners is hereby required to sign his name also to the certificate of such Surveying or Examining Officer, in testimony of the truth thereof, provided such master or other person shall consent and agree to the several particulars set forth and described therein.

VIII. And it is hereby enacted, that from and after the commencement of this Act the tonnage of every ship or vessel required by law to be registered, shall, previous to her being registered, be measured and ascertained while her hold is clear, and according to the following rule; (that is to say) divide the length of the upper deck between the afterpart of the stem and the forepart of the stern post into six equal parts. Depths: at the foremost, the middle, and the aftermost of those points of division, measure in feet and decimal parts of a foot the depths from the underside of the upper deck to the ceiling at the timber strike. In the case of a break in the upper deck, the depths are to be measured from a line stretched in a continuation of the deck. Breadths: divide each of those three depths into five equal parts and measure the inside breadths at the following points, videlicet, at one-fifth and at four-fifths from the upper deck of the foremost and aftermost depths, and at two-fifths and four-fifths from the upper deck of the midship depth. Length: at half the midship depth measure the length of the vessel from the afterpart of the stem to the forepart of the stern post, then to twice the midship depth add the foremost and the aftermost depths for the sum of the depths; add together the upper and lower breadths at the foremost division, three times the upper breadth, and the lower breadth at the midship division, and the upper and twice the lower breadth at the after division, for the sum of the breadths; then multiply the sum of the depths by the sum of the breadths, and this product by the length, and divide the final product by three thousand five hundred, which will give the number of tons for register. If the vessel have a poop or half deck, or a break in the upper deck, measure the inside mean length, breadth and height of such part thereof as may be included within the bulk head; multiply these three measurements together, and dividing the product by 92.4 the quotient will be the number of tons to be added to the result as above found. In order to ascertain the tonnage of open vessels, the depths are to be measured from the upper edge of the upper strake.

IX. And it is hereby provided, that in each of the several rules hereinbefore prescribed, when applied for the purpose of ascertaining the tonnage of any ship or vessel propelled by steam, the tonnage due to the cubical contents of the engine room shall be deducted from the total tonnage of the vessel as determined by either of the rules aforesaid, and the remainder shall be deemed the true register tonnage of

the said ship or vessel. The tonnage due to the cubical contents of the engine room shall be determined in the following manner; that is to say, measure the inside length of the engine room in feet and decimal parts of a foot from the foremost to the aftermost bulk-head, then multiply the said length by the depth of the ship or vessel at the midship division as aforesaid, and the product by the inside breadth at the same division at two-fifths of the depth from the deck taken as aforesaid, and divide the last product by 92.4, and the quotient shall be deemed the tonnage due to the cubical contents of the engine room.

X. And it is hereby provided, that the tonnage due to the cubical contents of the engine room and also the length of the engine room shall be set forth in the certificate of registry as part of the description of the ship or vessel, and that any alteration of such tonnage due to the cubical contents of the engine room, or of such length of the engine room, after registry, shall be deemed to be an alteration requiring registry de novo within the meaning of the said Act for the registering of ships or vessels.

XI. And it is hereby enacted, that for the purpose of ascertaining the tonnage of all such ships whether belonging to the United Kingdom or otherwise, as there shall be occasion to measure while their cargoes are on board, the following rule shall be observed and is hereby established; (that is to say,) measure, first the length on the upper deck between the afterpart of the stem and the forepart of the stern-post; secondly, the inside breadth on the underside of the upper deck at the middle point of the length; and, thirdly, the depth from the underside of the upper deck down the pump-well to the skin, multiply these three dimensions together, and divide the product by one hundred and thirty, and the quotient will be the amount of the register tonnage of such ships.

XII. And it is hereby enacted, that the true amount of the register tonnage of every merchant ship or vessel belonging to the United Kingdom, to be ascertained according to the rule by this Act established in respect of such ships, shall be deeply carved or cut in figures of at least three inches in length on the main beam of every such ship or vessel, prior to her being registered.

XIII. And it is hereby provided that Country Craft employed in Coasting voyages not exceeding the burden of 200 tons, may be registered and the tonnage marked according to rules to be prescribed from time to time by the respective local Governments.

XIV. And it is hereby enacted, that whenever the tonnage of any ship or vessel shall have been ascertained according to the rules herein prescribed such account of tonnage shall ever after be deemed the tonnage of such ship or vessel, and shall be repeated in every subsequent registry of such ship or vessel, unless it shall happen that any alteration has been made in the form of burthen of such ship or vessel, or it shall be discovered that the tonnage of such ship or vessel had been erroneously taken and computed.

XV. And it is hereby enacted, that if such certificate as aforesaid shall be sold, lent, or otherwise disposed of to any person or persons whatever than those for whose use it is granted, or shall be made use of for the service of any other ship or vessel than the ship or vessel for which it is granted, such certificate shall thenceforth be utterly void, and the master or any owner of the ship or vessel who shall be proved to have sold, lent, or disposed of such certificate or made use of the same as aforesaid, or shall have concurred in or been privy to the committing any such offence, shall be liable upon conviction by information as aforesaid to a penalty not exceeding 10,000 rupees. And in case such ship or vessel shall be lost or taken by the enemy, burnt, or broken up, or otherwise prevented from returning to the port at which she is registered, or shall on any account have lost and forfeited the privileges of a British ship, or shall have been seized and legally condemned for illicit trading, or shall have been taken in execution for debt and sold by due process of law, or shall have been sold to the Crown or the East India Company, or shall under any circumstances have been registered de novo, the certificate, if preserved, shall be delivered up, within one month after the arrival of the master in any port or place in the territories of the East India Company to the Registering Officer at such port, in default whereof the master or any of the owners shall be liable on conviction by information as aforesaid to a penalty not exceeding 5,000 rupees. And if any person not being such subject as aforesaid shall purchase or otherwise become entitled to the whole or to any part or share of or any interest in such ship or vessel, and the same shall be within the limits of any port of the territories of the East India Company, then and in such case the certificate of registry

shall within seven days after such purchase or transfer of property in such ship or vessel, be delivered up to the Registering Officer at such port, and if such ship or vessel shall be in any place not within the territories of the East India Company when such purchase or transfer of property shall take place, then the certificate shall be delivered up within fourteen days after the arrival of such ship or vessel, or of the master thereof in any port of the territories of the East India Company to the Registering Officer at such port in default whereof the master or any of the owners shall be liable on conviction before any Justice of the Peace in a penalty not exceeding 5,000 rupees recoverable in manner provided by Act No. 2 of 1839.

XVI. And it is hereby enacted, that when and so often as the master of any ship or vessel registered in manner herein before directed shall be changed, the master or owner of such ship or vessel shall deliver to the person or persons hereinbefore authorized to make such registry and grant such certificates of registry at the port where such change shall take place, if it be a port within the territories of the East India Company, the certificate of registry belonging to such ship or vessel, who shall thereupon indorse and subscribe a memorandum of such change, and shall forthwith give notice of the same to the proper officer of the port or place where such ship or vessel was last registered pursuant to this Act, who shall likewise make a memorandum of the same in the book of registers which is hereby directed and required to be kept, and shall forthwith give notice thereof in like manner as of the original entry. But if the change do not take place in any port within the territories of the East India Company, then such delivery, memorandum and indorsement shall be made and notice given at the first port within the territories of the East India Company at which the new master shall arrive after such change. In default of which delivery of the certificate such new master or any of the owners shall be liable on conviction before a Justice of the Peace, to a penalty not exceeding 5,000 rupees recoverable as aforesaid.

XVII. And it is hereby enacted, that it shall not be lawful for any owner or owners of any ship or vessel, to give any name to such ship or vessel other than that by which she was first registered in pursuance of this Act, and that the owner or owners of all and every ship or vessel which shall be so registered, shall, before such ship or vessel after such registry, shall begin to take in any cargo, paint or cause to be painted, in white or yellow letters of a length of not less than four inches, upon a black ground on some conspicuous part of the stern, the name by which such ship or vessel shall have been registered pursuant to this Act, and the port to which she belongs in a distinct and legible manner, and shall so keep and preserve the same, and that if such owner or owners, or master or other person having or taking the charge or command of such ship or vessel, shall permit such ship or vessel to begin to take in cargo before the name of such ship or vessel has been so painted as aforesaid, or shall wilfully alter, erase, obliterate, or in any wise hide or conceal, or cause or procure or permit the same to be done or shall in any written or printed paper, or other document describe such ship or vessel by any name other than that by which she was first registered pursuant to this Act, or shall verbally describe, or cause or procure or permit such ship or vessel to be described by any other name to any Officer or Officers of Revenue in the due execution of his or their duty, then and in every such case the certificate of registry shall thenceforth become utterly void, and such owner or owners, or master or other person having or taking the charge or command of such ship or vessel shall be liable on information as aforesaid to a penalty not exceeding 10,000 rupees.

XVIII. And it is hereby enacted, that all and every person and persons who shall apply for a certificate of the registry of any ship or vessel shall, and they are hereby required to produce to the person or persons authorized to grant such certificate, a true and full particular under the hand of the builder of such ship or vessel, or in case the want of such certificate can be satisfactorily accounted for, then, to produce other sufficient evidence of the proper denomination, and of the time when and the place where such ship or vessel was built, and also an exact account of the tonnage of such ship or vessel, and shall also make and subscribe a declaration before the person or persons hereinbefore authorized to grant such certificate that the ship or vessel for which such certificate is required is the same with that which is so described by the builder as aforesaid.

XIX. And it is hereby enacted, that if the certificate of registry of any ship or vessel shall be lost or mislaid, so that the same cannot be found or obtained for the use of such ship or vessel when and where proof thereof shall be made to the satisfaction of the Registering Officer at the port at which the ship is registered, such Officer shall and may, where the certificate shall have been lost or mislaid, re-

with such ship or vessel to be registered de novo, and a certificate thereof to be granted. Provided always that if such ship or vessel be absent and far distant from the port to which she belongs, or by reason of the absence of the owner or owners, or of any other impediment, registry of the same cannot then be made in sufficient time, such Registering Officer shall and may grant a license for the present use of such ship or vessel, which license shall for the time and to the extent specified therein, and no longer, be of the same force and virtue as a certificate of registry granted under this Act. Provided always that if the certificate of registry shall at any time afterwards be found, the same shall be forthwith delivered to the proper Officers of Customs to be cancelled, and that no illegal use be made of the same, in default whereof the original certificate and the renewed certificate and license shall thenceforth become utterly void, and any person wilfully detaining the certificate so required to be cancelled, or making any illegal use thereof, shall be liable on conviction before any Justice in a penalty not exceeding 5000 rupees recoverable as aforesaid.

XX. And whereas it is not proper that any person under any pretence whatever should detain the certificate of registry of any ship or vessel, or hold the same for any purpose other than the lawful use and navigation of the ship or vessel for which it was granted, it is therefore hereby enacted, that in case any person who shall have received or obtained by any means or for any purpose whatever the certificate of the registry of any such ship or vessel (whether such person shall claim to be the master or to be the owner or one of the owners of such ship or vessel, or not,) shall wilfully detain and refuse to deliver up the same to the proper Officers of Customs, for the purposes of such ship or vessel, as occasion shall require, or to the person or persons having the actual command, possession, and management of such ship or vessel as the ostensible and reputed master, or as the ostensible and reputed owner or owners thereof, it may and shall be lawful to and for any such last mentioned person to make complaint on oath of such detainer and refusal to any Justice of the Peace residing near to the place where such detainer and refusal shall be, and on such complaint the said Justice shall and is hereby required by warrant under his hand and seal, to cause the person so complained against to be brought before him to be examined touching such detainer and refusal, and if it shall appear to the said Justice on examination of such person or otherwise that the said certificate of registry is not lost or mislaid, but is wilfully detained by the said person, such person shall be subject on conviction before such Justice to a penalty not exceeding 1,000 rupees, recoverable as aforesaid, and the said Justice shall, and he is hereby required to certify the aforesaid detainer, refusal, and conviction to the person or persons who granted such certificate of registry for such ship or vessel who shall, on the terms and conditions of law being complied with make registry of such ship or vessel de novo, and grant a certificate thereof conformably to law, notifying on the back of such certificate the ground upon which the ship or vessel was so registered de novo; and if the person who shall have detained and refused to deliver up such certificate of registry as aforesaid, or shall be verily believed to have detained the same, shall have absconded so that the said warrant of the Justice cannot be executed upon him, and proof thereof shall be made to the satisfaction of the Registering Officer of the port at which the ship or vessel was registered, it shall be lawful for the said Officer to permit such ship or vessel to be registered de novo, or otherwise, in his discretion, to grant a license for the present use of such ship or vessel in like manner as is hereinbefore provided in the case wherein the certificate of registry is lost or mislaid.

XXI. And it is hereby enacted, that if any ship or vessel after she shall have been registered pursuant to the directions of this Act, shall in any manner whatever be altered so as not to correspond with all the particulars contained in the certificate of her registry, or if any alteration shall take place in the ownership of any ship or vessel, or of any share or shares thereof, in such cases such ship or vessel shall be registered de novo in manner hereinbefore required as soon as she returns to the port to which she belongs, or to any other port within the territories of the East India Company, on failure whereof such ship or vessel shall be deemed to be a ship or vessel not duly registered, and any person making use of a certificate for the purposes of any ship or vessel which has been granted in respect of the same after the same ought to have been registered de novo, shall be liable on conviction before any Justice to a penalty not exceeding 5,000 rupees recoverable as aforesaid.

XXII. And whereas great inconvenience may arise from the Registering Officers being served with summonses requiring them to attend with them and produce evidence in Courts of Law relative to the ownership of vessels, or otherwise the declarations required to be taken by the

owners thereof prior to the registering thereof, and the books of registry, or copies or extracts therefrom. And whereas it would tend much to the dispatch of business if the attendance of such Registering Officers with the same upon such trials were dispensed with, it is therefore hereby enacted, that the Registering Officer at any port or place, and the person or persons acting for them respectively, shall, upon every reasonable request by any person or persons whomsoever, produce and exhibit for his, her or their inspection and examination any declaration made by any such owner or owners, and also any register or entry in any book or books of registry required, and shall upon every reasonable request by any person or persons whomsoever, permit him, her, or them to take a copy or copies, or an extract or extracts thereof respectively, and that the copy and copies of any such oath or declaration, registry or entry, shall upon being proved to be true copy or copies thereof respectively, be allowed and received as evidence upon every trial at law, without the production of the original or originals, and without the testimony or attendance of any Registering Officer, or other person or persons acting for them respectively, in all cases, as fully and to all intents and purposes as such original or originals if produced by any Registering Officer, or other person or persons acting for them, could or might legally be admitted or received in evidence.

XXIII. And it is hereby enacted, that if any person or persons shall falsely make declaration to any of the matters hereinbefore required to be verified by declaration, or if any person or persons shall counterfeit, erase, alter, or falsify any certificate or other instrument in writing required or directed to be obtained, granted, or produced by this Act, or shall knowingly or wilfully make use of any certificate or other instrument so counterfeited, erased, altered, falsified, or shall wilfully grant such certificate or other instrument in writing, knowing it to be false, such person or persons shall for every such offence be liable on conviction upon information as aforesaid to a penalty not exceeding 10,000 rupees. And if any such offence be committed by the owner of any ship or vessel, the certificate of such ship or vessel shall thenceforth be wholly void.

XXIV. And it is hereby enacted, that when any ship or vessel duly registered under this Act, or sailing under the British Navigation Law, shall come to be owned by a Native Prince or State, or by any subject of such Native Prince or State as aforesaid, it shall be lawful for the Governor of Fort William in Bengal, or for the Governor in Council of any Presidency, to continue to such ship or vessel the privileges and advantages of a British ship for the purposes aforesaid by a pass to be issued under the Company's Seal and subscribed by a Secretary to Government, stating the voyage or voyages for which the same is to have effect, and the period for which it is to last; and it shall be lawful for the Governor of Fort William in Bengal, or the Governor in Council of any Presidency, to issue a similar pass conferring the privileges and advantages of a British ship for the purposes aforesaid under this Act to any ship or vessel built within the dominions of such Native Prince or State, and owned by such Prince or State, or by any of their subjects, provided always, that the ships belonging to Native Princes or States, or their subjects, in respect of which passes may be granted under this Act shall, during the voyage or voyages, or the period for which any such pass shall be granted be commanded by a subject of Her Majesty for whom the Governor General in Council has power to legislate.

XXV. And it is hereby enacted, that the fees demandable in respect of the granting any certificate or pass under this Act shall be fixed from time to time according to the directions of the Governor General in Council, but so that the same shall not exceed the amount of fees now payable for registering or granting passes to ships or vessels at the different Presidencies.

XXVI. And it is hereby declared and enacted, that all ships or vessels registered under this Act, shall be deemed to belong to the ports at which they shall be respectively registered. And all ships or vessels being registered or in respect of which passes may have been granted which are unexpired at the time of passing this Act, shall for the purpose of being deemed British ships be deemed to belong to the ports at which they may have been registered or when passes shall have been granted which are unexpired, at which such passes may have been respectively granted. And such ships or vessels built and owned as required by the Statute 3 and 4 Vict. Ch. 56, shall continue subject to all the rules in force at the respective Presidencies before the passing of this Act, touching the registering, measurement granting passes or other regulations in respect of the same, and shall not be subject to the provisions of this Act, or any provisions of the Statute law, a compliance with which may heretofore have been necessary in order that

ships or vessels built and owned as aforesaid might be deemed British ships for the purposes of trade.

T. H. MADDOCK,

Secy. to the Govt. of India.

PROCLAMATION.

The Governor General of India in Council hereby declares that all ships and vessels built or to be built within the limits of the Charter of the East India Company (as those limits are defined by the Statute 3d and 4th of Queen Victoria Cap. 56 entitled "An Act further to regulate the trade of ships built and trading within the limits of the East India Company's Charter,") being owned by Her Majesty's subjects for whom the said Governor General in Council has power to legislate and belonging under the provisions of the Act passed by the Governor General in Council No. X. of 1841, to any ports in the territories under the Government of the East India Company shall be deemed to be British ships for all purposes of trade within the said limits, including the Cape of Good Hope and the territories and dependencies thereof.

And such Courts shall be composed, according to the orders of the Commander in Chief for the time being of the Presidency within which the Station or Cantonment is situated, or, in the absence of such orders, according to the discretion of the Convening Officer, either of not less than three European Commissioned Officers, or of not less than three Native Commissioned Officers, and, in the latter case, with an European Officer of not less than five years standing, to superintend and record the proceedings. And any such Court shall have the like power of summoning witnesses as is possessed by Courts Martial. Provided always, that every such Court shall have the power of examining the parties to any suit and of requiring or dispensing with their attendance at its discretion. And every such Court shall have the like power of taking the examinations of absent parties and witnesses as is possessed by the Civil Courts of the East India Company, under Act No. VII. of 1841, provided that the depositions taken under a Commission issued by any Military Court of Requests shall be receivable in evidence before any such Court subsequently held; Provided also that Commissions may be issued by Military Courts of Requests under this Act pursuant to the provision of No. VII. of 1841, notwithstanding the Courts to which the Commissions may be directed are not situate beyond the jurisdiction of such Military Courts.

And such record shall contain the substance of the evidence given and the nature of such evidence as may have been rejected on the ground of its not being legally admissible, or relevant, or on other grounds, and the same shall be signed by the Members of the said Court. And such record or a copy thereof shall, with as little delay as is practicable, after the conclusion of the proceedings, be transmitted by the European President, or Superintending Officer of every such Court to the Officer Commanding the Station or Cantonment.

IX. And it is hereby enacted, that where a demand shall exceed the amount of 200 Rupees, or where several separate demands shall exceed such amount, no more shall be recoverable from any one defendant by the same plaintiff or plaintiffs than the sum of 200 Rupees only—and the judgment in respect of any demand in a Court of Requests shall be a bar to the recovery of the same demand or of any other or further demand for the same cause of action in any other Court whatever, provided that the liability accrued before the time of instituting the suit in the Military Court—and it shall be competent for every such Military Court to investigate any counterclaim alleged by any defendant. And it shall be competent for every such Military Court to allow the interest for money agreed on between the parties, provided the same does not exceed the usage of the country in ordinary money transactions. And every contract made after the passing of this Act upon which a demand for debt exceeding 20 Rupees is founded, not being money due for goods bought and delivered, shall be in writing, and expressed in the language of the defendant and signed by him, or on his behalf by some other person than the plaintiff. Provided that it shall not be competent to any Court of Requests to admit any suit for a debt

which has accrued upwards of six years, unless a direct promise to pay made within six years of the commencement of the suit be proved.

X. And it is hereby enacted, that on failure of either of the parties to a suit to attend either personally or by representative, or to produce his witnesses according as he shall be required by any Military Court of Requests, such Court on being satisfied that the party has been duly apprized of what is required of him, may proceed to the termination of the suit in his absence. And if the decree in any such case shall be against the plaintiff, it shall not be competent for him to commence a new suit for the same cause of action.

XI. And it is hereby enacted, that it shall be lawful for the Commanding Officer to whom the proceedings have been transmitted as aforesaid to return the same for revision either by the same or another Military Court of Requests. And in every such case the second decree shall be final, unless for error in points of law, when the same shall be transmitted to the Commander in Chief, who shall have power to annul the proceedings without prejudice to any future suit. Provided always that in the case of any new trial the Court may receive evidence which was not adduced at the first trial.

XII. And it is hereby enacted, that every plaintiff shall prefer his claim in writing and shall deliver the same to the Station Staff-Officer. The claims shall be entered in a Schedule by the Station Staff-Officer, which Schedule is to be sent to Adjutants of Corps or Heads of Departments two days at least before the assembly of the Court, and the Adjutants or Heads of Departments shall be responsible that the defendants belonging to their respective Corps or Establishments have been duly summoned.

XIII. And it is hereby enacted, that every decree of any Military Court of Requests shall be published in the Station Orders before the same is executed.

XIV. And it is hereby enacted, that the execution of decrees of Military Courts of Requests may be either general or special, according to the sentence of the Court. Provided always that the Commanding Officer may, notwithstanding the direction of the Court, order that the execution shall be general or special at his discretion.

XV. And it is hereby enacted, that in cases in which the execution is to be general, the debt if not paid forthwith, shall, under the authority of the Commanding Officer in writing to be signed by him, be levied by seizure and public sale of such of the Debtor's Goods (under which term are included houses or other erections within the limits of Stations and Cantonments) as may be found within the limits of the Station or Cantonment, or elsewhere; and if sufficient Goods are not to be found, the debtor, if not a Soldier, shall be arrested and imprisoned in any Civil Gaol near to the Station or Cantonment, (for which purpose the provisions of Act No. 2 of 1840 shall be applicable) or in any other convenient place of confinement situate within the limits of the Station or Cantonment, for the space of two months, unless the debt be sooner paid, and his Goods, if found within the limits of the Station or Cantonments or elsewhere at any subsequent time, shall be liable to be seized and sold in satisfaction of the debt. And if the debtor be a Soldier and the debt be not liquidated by sale of his Effects, Accoutrements and Necessaries excepted, an order may be issued for payment of the residue by monthly deduction from the pay issued to the debtor under the Rules which follow.

XVI. And it is hereby enacted, that where the execution is to be special, the debt shall be satisfied out of the pay and allowances of the debtor and not otherwise. And a certificate of the decree and directions for order thereon certified under the hand of the Commanding Officer and signed by him, shall be a sufficient authority for making such stoppages. Provided always that no more than one half of the pay and allowances of any Commissioned Officer, or than one-fourth of the pay and allowances of any non-Commissioned Officer or Soldier shall be stopped in any one month.

XVII. And it is hereby enacted, that in places beyond the Frontier of the Territories of the East India Company, actions of debt and other personal actions may be brought before such Military Courts as aforesaid, and persons so amenable as aforesaid for any amount of demand. Provided that such Military Courts beyond the Frontier shall be composed of European Officers, and provided, that if the amount of claim shall exceed 200 Rupees an appeal shall lie to

the Court of Sudder Adawlut of the nearest Presidency according to the rules in force with regard to appeals from subordinate Civil Courts.

XVIII. And it is hereby enacted, that this Act shall not affect the proceedings upon any suit heretofore commenced or which shall be commenced before the tenth day of August next.

B.) and the other owners (names and occupations if any and where they respectively reside) am (or are) sole owner (or owners) of the said vessel, and that no other person or persons whatever hath or have any right, title, interest, share, or property therein or thereto; and that I the said (A. B.) and the said other owners (if any) am (or are) truly and bona fide a subject (or subjects) of Her Majesty for whom the Governor General of India in Council has power to legislate, and that no person not being subject as aforesaid, directly or indirectly, hath any share or part interest in the said ship or vessel. Provided that if the Registering Officer shall see occasion to doubt the truth of any of the facts contained in the above declaration he shall not deem such declaration to be conclusive, but may refuse the registry or certificate, and his discretion exercised in this behalf shall be subject only to an appeal to the local Government to which he is subordinate.

VI. And it is hereby enacted, that in case the required number of joint owners of any ship or vessel shall not personally attend to make and subscribe the declaration hereinbefore directed to be made and subscribed, then and in such case such owner or owners as shall personally attend and make and subscribe the declarations aforesaid, shall further declare that the part owner or part owners of such ship or vessel then absent, is or are not resident within twenty miles of such port or place, and hath or have not to the best of his or their knowledge or belief, wilfully absented himself or themselves in order to avoid the making the declaration hereinbefore directed to be made and subscribed, or is or are prevented by illness from attending to make and subscribe the said declaration.

VII. And in order to enable the Registering Officer to grant a certificate truly and accurately describing every ship or vessel to be registered in pursuance of this Act, and also to enable all other Officers of Customs on due examination, to discover whether any such ship or vessel is the same with that for which a certificate is alleged to have been granted, it is hereby enacted, that previous to the registering or granting of any certificate of registry as aforesaid some one or more person or persons appointed by the local Government, respectively, taking to him or their assistance if he or they shall judge it necessary, one or more person or persons skilled in the building and admeasurement of ships, shall go on board of every such ship or vessel that is to be registered, and shall strictly and accurately examine and admeasure every such ship or vessel as to the said every

particular contained in the form of the certificate hereinbefore directed in the presence of the master, or of any other person who shall be appointed for that purpose on the part of the owner or owners, or in his or their absence by the said master, and shall deliver a true and just account in writing of all such particulars of the build, description, and admeasurement of every such ship or vessel as are specified in the form of the certificate above recited to the Officer authorized to make such registry and grant such certificate of registry as aforesaid; and the said master or other person attending on the part of the owner or owners is hereby required to sign his name also to the certificate of such Surveying or Examining Officer, in testimony of the truth thereof, provided such master or other person shall consent and agree to the several particulars set forth and described therein.

VIII. And it is hereby enacted, that from and after the commencement of this Act the tonnage of every ship or vessel required by law to be registered, shall, previous to her being registered, be measured and ascertained while her hold is clear, and according to the following rule; (that is to say) divide the length of the upper deck between the afterpart of the stem and the forepart of the stern post into six equal parts. Depths: at the foremost, the middle, and the aftermost of those points of division, measure in feet and decimal parts of a foot the depths from the underside of the upper deck to the ceiling at the limber strake. In the case of a break in the upper deck, the depths are to be measured from a line stretched in a continuation of the deck. Breadths: divide each of those three depths into five equal parts and measure the inside breadths at the following points, videlicet, at one-fifth and at four-fifths from the upper deck of the foremost and aftermost depths, and at two-fifths and four-fifths from the upper deck of the midship depth. Length: at half the midship depth measure the length of the vessel from the afterpart of the stem to the forepart of the stern-post, then to twice the midship depth add the foremost and the aftermost depths for the sum of the depths; add together the upper and lower breadths at the foremost division, three times the upper breadth, and the lower breadth at the midship division, and the upper and twice the lower breadth at the after division, for the sum of the breadths; then multiply the sum of the depths by the sum of the breadths, and this product by the length, and divide the final product by three thousand five hundred, which will give the number of tons for register. If the vessel have a poop or half deck, or a break in the upper deck, measure the inside mean length, breadth and height of such part thereof as may be included within the bulk head; multiply these three measurements together, and dividing the product by 92.4 the quotient will be the number of tons to be added to the result as above found. In order to ascertain the tonnage of open vessels, the depths are to be measured from the upper edge of the upper strake.

IX. And it is hereby provided, that in each of the several rules hereinbefore prescribed, when applied for the purpose of ascertaining the tonnage of any ship or vessel propelled by steam, the tonnage due to the cubical contents of the engine room shall be deducted from the total tonnage of the vessel as determined by either of the rules aforesaid, and the remainder shall be deemed the true register tonnage of the said ship or vessel. The tonnage due to the cubical contents of the engine room shall be determined in the following manner; that is to say, measure the inside length of the engine room in feet and decimal parts of a foot from the foremost to the aftermost bulk-head, then multiply the said length by the depth of the ship or vessel at the midship division as aforesaid, and the product by the inside breadth at the same division at two-fifths of the depth from the deck taken as aforesaid, and divide the last product by 92.4, and the quotient shall be deemed the tonnage due to the cubical contents of the engine room.

X. And it is hereby provided, that the tonnage due to the cubical contents of the engine room and also the length of the engine room shall be set forth in the certificate of registry as part of the description of the ship or vessel, and that any alteration of such tonnage due to the cubical contents of the engine room, or of such length of the engine room, after registry, shall be deemed to be an alteration requiring registry de novo within the meaning of the said Act for the registering of ships or vessels.

XI. And it is hereby enacted, that for the purpose of ascertaining the tonnage of all such ships whether belonging to the United Kingdom or otherwise, as there shall be occasion to measure while their cargoes are on board, the following rule shall be observed and is hereby established; (that is to say) measure first the length on the upper deck between the afterpart of the stem and the forepart of the stern-post; secondly, the inside breadth on the underside of the upper deck at the middle point of the length; and, thirdly, the depth from the underside of the upper deck down the gunwale to the keel, multiply these three dimensions

together, and divide the product by one hundred and thirty, and the quotient will be the amount of the register tonnage of such ships.

Registered tonnage to be marked. XII. And it is hereby enacted, that the true amount of the register tonnage of every merchant ship or vessel belonging to the United Kingdom, to be ascertained according to the rule by this Act established in respect of such ships, shall be deeply carved or cut in figures of at least three inches in length on the main beam of every such ship or vessel, prior to her being registered.

Country Craft not exceeding 200 tons. XIII. And it is hereby provided that Country Craft employed in Coasting voyages not exceeding the burden of 200 tons, may be registered and the tonnage marked according to rules to be prescribed from time to time by the respective local Governments.

Registered tonnage to be repeated in every subsequent register. XIV. And it is hereby enacted, that whenever the tonnage of any ship or vessel shall have been ascertained according to the rules herein prescribed such account of tonnage shall ever after be deemed the tonnage of such ship or vessel, and shall be repeated in every subsequent registry of such ship or vessel, unless it shall happen that any alteration has been made in the form of burthen of such ship or vessel, or it shall be discovered that the tonnage of such ship or vessel had been erroneously taken and computed.

Fraudulent use of Certificate. XV. And it is hereby enacted, that if such certificate as aforesaid shall be sold, lent, or otherwise disposed of to any person or persons whatever than those for whose use it is granted, or shall be made use of for the service of any other ship or vessel than the ship or vessel for which it is granted, such certificate shall thenceforth be utterly void, and the master or any owner of the ship or vessel who shall be proved to have sold, lent, or disposed of such certificate or made use of the same as aforesaid, or shall have concurred in or been privy to the committing any such offence, shall be liable upon conviction by information as aforesaid to a penalty not exceeding 10,000 rupees. And in case such ship or vessel shall be lost or taken by the enemy, burnt, or broken up, or otherwise prevented from returning to the port at which she is registered, or shall on any account have lost and forfeited the privileges of a British ship, or shall have been seized and legally condemned for illicit trading, or shall have been taken in execution for debt and sold by due process of law, or shall have been sold to the Crown or the East India Company, or shall under any circumstances have been registered de novo, the certificate, if preserved up, shall be delivered up, within one month after the arrival of the master in any port or place in the territories of the East India Company to the Registering Officer at such port, in default whereof the master or any of the owners shall be liable on conviction by information as aforesaid in a penalty not exceeding 5,000 rupees. And if any person not being such subject as aforesaid shall purchase or otherwise become entitled to the whole or to any part or share of or any interest in such ship or vessel, and the same shall be within the limits of any port of the territories of the East India Company, then and in such case the certificate of registry shall within seven days after such purchase or transfer of property in such ship or vessel, be delivered up to the Registering Officer at such port, and if such ship or vessel shall be in any place not within the territories of the East India Company when such purchase or transfer of property shall take place, then the certificate shall be delivered up within fourteen days after the arrival of such ship or vessel, or of the master thereof in any port of the territories of the East India Company to the Registering Officer at such port in default whereof the master or any of the owners shall be liable on conviction before any Justice of the Peace in a penalty not exceeding 5,000 rupees recoverable in manner provided by Act No. 2 of 1839.

Change of Master. XVI. And it is hereby enacted, that when and so often as the master of any ship or vessel registered in manner herein before directed shall be changed, the master or owner of such ship or vessel shall deliver to the person or persons hereinbefore authorized to make such registry and grant such certificates of registry at the port where such change shall take place, if it be a port within the territories of the East India Company, the certificate of registry belonging to such ship or vessel, who shall thereupon indorse and subscribe a memorandum of such change, and shall forthwith give notice of the same to the proper officer of the port or place where such ship or vessel was last registered pursuant to this Act, who shall likewise make a memorandum of the same in the book of registers which is hereby directed and required to be kept, and shall forthwith give notice thereof in like manner as of the original entry. But if the change do not take place in any port within the territories of the East India Company, then such master or owner shall make and indorsement shall be made and notice given at the

first port within the territories of the East India Company at which the new master shall arrive after such change. In default of which delivery of the certificate such new master or any of the owners shall be liable on conviction before a Justice of the Peace to a penalty not exceeding 5,000 rupees recoverable as aforesaid.

Name of Ship. XVII. And it is hereby enacted, that it shall not be lawful for any owner or owners of any ship or vessel, to give any name to such ship or vessel other than that by which she was first registered in pursuance of this Act, and that the owner or owners of all and every ship or vessel which shall be so registered, shall, before such ship or vessel after such registry, shall begin to take in any cargo, paint or cause to be painted, in white or yellow letters of a length of not less than four inches, upon a black ground on some conspicuous part of the stern, the name by which such ship or vessel shall have been registered pursuant to this Act, and the port to which she belongs in a distinct and legible manner, and shall so keep and preserve the same, and that if such owner or owner, or master or other person having or taking the charge or command of such ship or vessel, shall permit such ship or vessel to begin to take in cargo before the name of such ship or vessel has been so painted as aforesaid, or shall wilfully alter, erase, obliterate, or in any wise hide or conceal, or cause or procure or permit the same to be done or shall in any written or printed paper, or other document describe such ship or vessel by any name other than that by which she was first registered pursuant to this Act, or shall verbally describe, or cause or procure or permit such ship or vessel to be described by any other name to any Officer or Officers of Revenue in the due execution of his or their duty, then and in every such case the certificate of registry shall thenceforth become utterly void, and such owner or owners, or master or other person having or taking the charge or command of such ship or vessel shall be liable on information as aforesaid to a penalty not exceeding 10,000 rupees.

Certificate of building. XVIII. And it is hereby enacted, that all and every person and persons who shall apply for a certificate of the registry of any ship or vessel shall, and they are hereby required to produce to the person or persons authorized to grant such certificate, a true and full particular under the hand of the builder of such ship or vessel, or in case the want of such certificate can be satisfactorily accounted for, then to produce other sufficient evidence of the proper denomination, and of the time when and the place where such ship or vessel was built, and also an exact account of the tonnage of such ship or vessel, and shall also make and subscribe a declaration before the person or persons hereinbefore authorized to grant such certificate that the ship or vessel for which such certificate is required is the same with that which is so described by the builder as aforesaid.

Certificate lost or mislaid. XIX. And it is hereby enacted, that if the certificate of registry of any ship or vessel shall be lost or mislaid, so that the same cannot be found or obtained for the use of such ship or vessel when needful, and proof thereof shall be made to the satisfaction of the Registering Officer of the port at which the ship is registered, such Officer shall and may, where the certificate shall have been lost or mislaid, permit such ship or vessel to be registered de novo, and a certificate thereof to be granted. Provided always that if such ship or vessel be absent and far distant from the port to which she belongs, or by reason of the absence of the owner or owners, or of any other impediment, registry of the same cannot then be made in sufficient time, such Registering Officer shall and may grant a license for the present use of such ship or vessel, which license shall for the time and to the extent specified therein, and no longer, be of the same force and virtue as a certificate of registry granted under this Act. Provided always that if the certificate of registry shall at any time afterwards be found, the same shall be forthwith delivered to the proper Officers of Customs to be cancelled, and that no illegal use be made of the same, in default whereof the original certificate and the renewed certificate and license shall thenceforth become utterly void, and any person wilfully detaining the certificate so required to be cancelled, or making any illegal use thereof, shall be liable on conviction before any Justice in a penalty not exceeding 5,000 rupees recoverable as aforesaid.

Detention of Certificate. XX. And whereas it is not proper that any person under any pretence whatever should detain the certificate of registry of any ship or vessel, or hold the same for any purpose other than the lawful use and navigation of the ship or vessel for which it was granted, it is therefore hereby enacted, that if any person who shall have received or obtained by any means or for any purpose whatever the certificate of the registry of any such ship or vessel, whether such person shall claim to be the master or to be the owner or one of the owners of such ship or vessel, or any other person, shall detain and refuse to deliver

tip the same to the proper Officers of Customs, for the purposes of such ship or vessel, as occasion shall require, or to the person or persons having the actual command, possession, and management of such ship or vessel as the ostensible and reputed master, or as the ostensible and reputed owner or owners thereof, it may and shall be lawful to and for any such last mentioned person to make complaint on oath of such detainer and refusal to any Justice of the Peace residing near to the place where such detainer and refusal shall be, and on such complaint the said Justice shall and is hereby required by warrant under his hand and seal, to cause the person so complained against to be brought before him to be examined touching such detainer and refusal, and if it shall appear to the said Justice on examination of such person or otherwise that the said certificate of registry is not lost or mislaid, but is wilfully detained by the said person, such person shall be subject on conviction before such Justice to a penalty not exceeding 1,000 rupees, recoverable as aforesaid and the said Justice shall, and he is hereby required to certify the aforesaid detainer, refusal, and conviction to the person or persons who granted such certificate of registry for such ship or vessel who shall, on the terms and conditions of law being complied with make registry of such ship or vessel de novo, and grant a certificate thereof conformably to law, notifying on the back of such certificate the ground upon which the ship or vessel was so registered de novo; and if the person who shall have detained and refused to deliver up such certificate of registry as aforesaid, or shall be verily believed to have detained the same, shall have absconded so that the said warrant of the Justice cannot be executed upon him, and proof thereof shall be made to the satisfaction of the Registering Officer of the port at which the ship or vessel was registered, it shall be lawful for the said Officer to permit such ship or vessel to be registered de novo, or otherwise, in his discretion, to grant a license for the present use of such ship or vessel in like manner as is hereinbefore provided in the case wherein the certificate of registry is lost or mislaid.

XXI. And it is hereby enacted, that if any ship or vessel after she shall have been registered pursuant to the directions of this Act, shall in any manner whatever be altered so as not to correspond with all the particulars contained in the certificate of her registry, or if any alteration shall take place in the ownership of any ship or vessel, or of any share or shares thereof, in such cases such ship or vessel shall be registered de novo in manner hereinbefore required as soon as she returns to the port to which she belongs, or to any other port within the territories of the East India Company, on failure whereof such ship or vessel shall be deemed to be a ship or vessel not duly registered, and any person making use of a certificate for the purposes of any ship or vessel which has been granted in respect of the same, after the same ought to have been registered, de novo, shall be liable on conviction before any Justice to a penalty not exceeding 5,000 rupees recoverable as aforesaid.

XXII. And whereas great inconvenience may arise from the Registering Officers being served with subpoenas requiring them to bring with them and produce, on trials in Courts of Law relative to the ownership of vessels, or otherwise the declarations required to be taken by the owners thereof prior to the registering thereof, and the books of registry, or copies or extracts therefrom. And whereas it would tend much to the dispatch of business if the attendance of such Registering Officers with the same upon such trials were dispensed with, it is therefore hereby enacted, that the Registering Officer at any port or place, and the person or persons acting for them respectively, shall, upon every reasonable request by any person or persons whomsoever, produce and exhibit for his, her or their inspection and examination any declaration made by any such owner or owners, and also any register or entry in any book or books of registry required, and shall upon every reasonable request by any person or persons whomsoever, permit him, her, or them to take a copy or copies, or an extract or extracts thereof respectively, and that the copy and copies of any such oath or declaration, registry or entry, shall upon being proved to be true copy or copies thereof respectively, be allowed and received as evidence upon every trial at law, without the production of the original or originals, and without the testimony or attendance of any Registering Officer, or other person or persons acting for them respectively, in all cases, as fully and to all intents and purposes as such original or originals if produced by any Registering Officer, or other person or persons acting for them, could or might legally be admitted or received in evidence.

XXIII. And it is hereby enacted, that if any person or persons shall falsely make declaration to any of the matters hereinbefore required to be verified by declaration, or if any person or persons shall counterfeit, erase, alter, or falsify any certificate or other instrument in writing required or directed to be obtained, granted, or produced by this Act, or shall knowingly or wilfully make use of any certificate or other instrument so counterfeited, erased, altered, falsified, or shall wilfully grant such certificate or other instrument in writing, knowing it to be false, such person or persons shall for every such offence be liable on conviction upon information as aforesaid to a penalty not exceeding 10,000 rupees. And if any such offence be committed by the owner of any ship or vessel, the certificate of such ship or vessel shall thenceforth be wholly void.

XXIV. And it is hereby enacted, that when any ship or vessel duly registered under this Act, or sailing under the British Navigation Law, shall come to be owned by a Native Prince or State, or by any subject of such Native Prince or State as aforesaid, it shall be lawful for the Governor of Fort William in Bengal, or for the Governor in Council, of any Presidency, to continue to such ship or vessel the privileges and advantages of a British ship for the purposes aforesaid by a pass to be issued under the Company's Seal and subscribed by a Secretary to Government, stating the voyage or voyages for which the same is to have effect, and the period for which it is to last; and it shall be lawful for the Governor of Fort William in Bengal, or the Governor in Council of any Presidency, to issue a similar pass conferring the privileges and advantages of a British ship for the purposes aforesaid under this Act to any ship or vessel built within the dominions of such Native Prince or State, and owned by such Prince or State, or by any of their subjects, provided always, that the ships belonging to Native Princes or States, or their subjects, in respect of which passes may be granted under this Act shall, during the voyage or voyages, or the period for which any such pass shall be granted be commanded by a subject of Her Majesty for whom the Governor General in Council has power to legislate.

XXV. And it is hereby enacted, that the fees demandable in respect of the granting any certificate or pass under this Act shall be fixed from time to time according to the directions of the Governor General in Council, but so that the same shall not exceed the amount of fees now payable for registering or granting passes to ships or vessels at the different Presidencies.

XXVI. And it is hereby declared and enacted, that all ships or vessels registered under this Act, shall be deemed to belong to the ports at which they shall be respectively registered. And all ships or vessels being registered or in respect of which passes may have been granted which are unexpired at the time of passing this Act, shall for the purpose of being deemed British ships be deemed to belong to the ports at which they may have been registered or when passes shall have been granted which are unexpired, at which such passes may have been respectively granted. And such ships or vessels built and owned as required by the Statute 3 and 4 Vict. Ch. 56, shall continue subject to all the rules in force at the respective Presidencies before the passing of this Act, touching the registering, measurement granting passes or other requisitions in respect of the same, and shall not be subject to the provisions of this Act, or any provisions of the Statute law, a compliance with which may heretofore have been necessary in order that ships or vessels built and owned as aforesaid might be deemed British ships for the purposes of trade.

T. H. MADDOCK,

Secy. to the Govt. of India.

PROCLAMATION.

The Governor General of India in Council hereby declares that all ships and vessels built or to be built within the limits of the Charter of the East India Company (as those limits are defined by the Statute 3d and 4th of Queen Victoria Cap. 56 entitled "An Act further to regulate the trade of ships built and trading within the limits of the East India Company's Charter.") being owned by Her Majesty's subjects for whom the said Governor General in Council has power to legislate and belonging under the provisions of the Act passed by the Governor General in Council No. X. of 1841, to any parts in the territories under the Government of the East India Company shall be deemed to be British ships for all purposes of trade within the said limits, including the Cape of Good Hope and the territories and dependencies thereof.

European method. Such Rum being removed
under Bond for exportation by Sea.

First.—Parties working under License. Distilleries constructed and worked in the European method, will be allowed to remove Rum there produced direct to Calcutta, without the previous payment of the Still Head Duty after executing a Bond to the Honble the East India Company, binding themselves to pay Eight Annas per Wine Gallon being

* Leviable under the consolidated Atkary Tax, Section 4, Clause 1st, and Still Head Duty for any Regulation VII of portion of the Spirits so bonded 1834. which may not be exported by Sea as Merchandise within four Calendar months from the date of the Bond.

Second.—Wherever of some established House of business in Calcutta is to be one of the parties bonded, and the Rum to be removed, the same must be removed in one of the following ways, viz. by Sea as Merchandise within four Calendar months from the date of the Bond.

Third.—The Distillery and Apparatus will be considered as pledged* for any amount which may become due under the Bond.

Fourth.—The Board of Customs, Salt and Opium, may refuse the security tendered without assigning any cause.

Fifth.—Bonds will not be received for a less quantity of Rum than 1000 Wine Gallons, and no quantity of less than 1000 Wine Gallons will be allowed to be removed from the Distillery under Bond. No Spirits to be removed of a strength below London proof.*

Sixth.—On the Bond being duly executed, an order with corresponding marks and numbers, will be issued to the Collector of Land Revenue or other Officer duly authorized, under whose supervision the Distillery is worked, directing him to permit the quantity bonded to pass from the Distillery without payment of the Still Head Duty, at the same time a true copy of the Bond will be forwarded to the Collector of Calcutta Customs.

Seventh.—The Darogah or other Officer in charge of the Distillery, will not allow any Cask of Rum to leave the Distillery without the following marks out or legibly painted on the Cask :

1. The name of the Distillery and known mark of the Proprietor.
2. The quantity of Rum contained in the Cask.
3. The strength of the Rum over London proof, as for instance the marks for Dhoobah will stand thus—

* Meaning 5 degrees over or above London proof.

Eighth.—That where marks must be put at each end of the Cask, the strength above London Proof must be written and marked by the Proprietor themselves or their Agents at the Distillery.

Ninth.—On the Rum being removed from the Distillery, the Collector of the District, or other Officer duly authorized will grant a Pass for its protection to Calcutta, (as is now done when Spirits pay the Still Head Duty) and then immediately make his return to the Board that they have been so removed.

Tenth.—The Calcutta Custom House to have no cognizance of the Rum until it is brought for exportation. If the Proprietors of Rum Distilleries or their Agents should rent a Godown on the Custom House Premises, the Rum as brought from the Distillery may of course be lodged in that Godown. But all Rum so lodged on the Custom House Premises must be considered as intended exclusively for export by Sea. In other words, no Rum lodged in Godowns on the Custom House Premises, can be passed into town subsequently, nor be passed otherwise on any account except for direct Sea Export.

Eleventh.—On Bengal Rum being brought to the Custom House for exportation, the exporting Parties shall declare in writing by what Bond it is protected, and shall produce the Pass of the Collector of Land Revenue, or other Officer duly authorized to grant Passes, and the Factory Invoice, it shall then be gauged for quantity, and proved to ascertain strength by a Custom House Officer. If the strength be not less than that shown by the mark on the Cask, which Cask must be the same in which it was removed from the Distillery, the Rum shall be allowed to pass for Sea Export, and the quantity be written off on the copy of the Bond, which will previously have been furnished to the Collector of Sea Customs from the Office of the Board of Customs, Salt, and Opium. If the strength be less than the mark on the Cask, the Cask and Spirits in question shall be liable to confiscation and forfeiture to Government. No Rum shall be allowed to be exported below London Proof, and any brought to the Custom House below London Proof shall be confiscable to the Government.

Twelfth.—When the entire bonded quantity is written off upon the copy of the Bond, the Collector of Sea Customs shall return the said copy of the Bond (or otherwise certify the full exportation of the Rum covered by that Bond) to the Board of Customs, Salt and Opium, and the Bond in the Board's keeping shall then be cancelled.

Thirteenth.—If at the expiration of four months the entire quantity of Rum covered by any Bond shall not have been exported and written off as provided in the preceding Clause, the Board of Customs, Salt and Opium, on the same being certified to them by the Collector of Calcutta Customs, will proceed to recover the duty at the rate of 8 Annas per Wine Gallon, conditioned to be paid upon such quantity of Rum as may not have been exported under the said Bond.

Fifteenth.—Time-expired Bonds shall be renewable under the authority of the Board of Customs, Salt and Opium, in the event of its being shown to the satisfaction of the Board that the parties executing the Bond have been unable, from the occurrence of some unforeseen obstacle or accident, to export the entire bonded quantity within the period of the currency of the Bond. It is to be fully understood however, that the Board reserve to themselves the power of declining to renew time-expired Bonds without assigning any reason for so doing, in which case the duty of 8 Annas per Gallon on the unexported quantity shall be levied.

Sixteenth.—A Shipment of Rum, being 1,000 Wine Gallons or upwards, is entitled to drawback of the consolidated Still Head or Abkarry Duty of 8 Annas per Gallon, whether paid in cash or secured by Bond, being subject to the prescribed Export Customs Duty.
